

No. 1/CH/2018

FROM THE DESK OF CHAIRMAN

It has been brought to the notice of the Commission that the present agitation going on since yesterday near the Office of the Commission by some candidates of CGLE (Tier-II) 2017, is being actively instigated and sponsored by two Coaching Institutes/ agencies with vested interests.

The Commission had agreed to meet the representatives of the agitating group yesterday and during that meeting, they were directed to furnish substantive evidence in support of their allegations. They have been given time upto 6 PM today to represent their case. Thereafter, the Commission would take an appropriate considered decision in the matter.
